MARCHing Toward the Sanctuary

The month of March will be historic in the life of our church. During this month, we will have our last Sunday worship on 4 West (March 22nd) and our first Sunday worship in our renovated Sanctuary (March 29th).

Our Experience on 4 West

It's Hard to believe that we have been worshipping together on 4 West since August 11. It has been a wonderful environment for creating new relationships within the body, welcoming many new members, and continuing to have multiple guests each week!

- We added the 8:15 service and upgraded our audio and visual components.
- We now have a much more versatile and usable space for the coming years.
- We learned to experience worship differently, but no less significantly, with the limitations of the room.

Our Changing Schedule

Many of you may already know, but beginning on March 29th, we will resume having one worship

service at 10:45, keeping our 9:30 Sunday Morning Bible Study. We pray that the Lord will grow our church to the point of needing a second service, even in a 900 seat Sanctuary, in the days ahead.

Our Need for Faithful Generosity

We are just shy of the one-year mark of our *Together We Worship* initiative, and momentum is building! Over half the 4.2 million needed has been pledged, and over 1.8 million has been received. Please prayerfully continue to give or consider giving for the first time! Do not miss out on being part of this crucial time on the life of the church. God has called us to be faithful in our sacrifice to see this wonderful project through.

Thank You!

Thank you for being flexible, generous and gracious during this vast construction project for the sake of our ongoing ministry and mission. May we keep our eyes on Jesus, empowered to Live, Teach and Tell the gospel so all may encounter the Living God!

Grateful to Be Your Pastor,

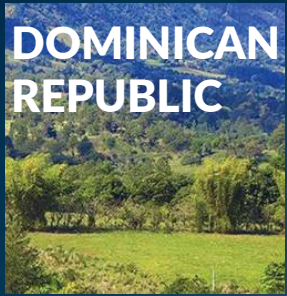

-Pike
