

TOGETHER WE WORSHIP UPDATE

Rooftop HVAC Condensers

4th Floor Entry Way

4 West

It's Time to Renovate our Sanctuary!

We've been talking about this project in earnest for the last 9 months; and the day has finally come! Our plan is to begin worshipping together on our 4th Floor (West side) at the end of July. The exact date of this transition is dependent upon the work beginning in the Sanctuary.

Two Worship Services

With 4 West being considerably smaller than our Sanctuary, we will now offer two times for corporate worship; 8:15 and 10:45. Bible Study will remain at 9:30. There will be additional signage and greeters in place to be sure all know where we are worshipping and how best to get there.

Together We Worship Information Packets

If you have not received a packet of information about the project, they are available right next to the *Together We Worship* display in our main hallway on the second floor outside the Music Suite. If you would like a packet mailed to you, please contact the Church Office.

Together We Worship Giving

If you have not yet participated in giving to this historic endeavor in the life of our church, please consider doing so now. If you need more information, or would like to visit about this in person please contact either Scott Richardson at srichardson@fbctyler.org or me at pwisner@fbctyler.org and we will gladly make time for a conversation.
